

# Which Inkjet System is Right for You?

You've got options. Yay! But how do you know which one to choose? We've got a guide for you.

Now if you're not sold on inkjet yet, **we can help you determine** if it's the right fit for your business needs and interests.

But, if you're ready to explore your inkjet options, we've got two questions for you:

## Need To Know:

1. What is your average monthly envelope volume?
2. What is the maximum size that you need to feed?

# Which Inkjet System is Right for You?

Our family of inkjet solutions was developed to address different market needs, primarily by volume and feed requirements.

1. What is your average monthly envelope volume?

10K – 50K

50K – 150K

200K+

2. What is the maximum size that you need to feed?

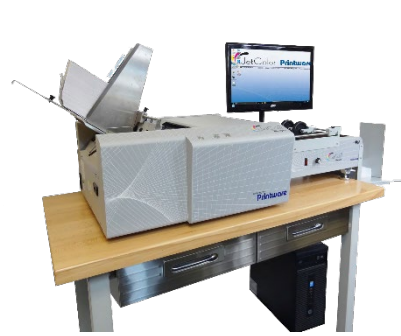

9.5" x 17"

10.5" x 17"

12" x 17"

Still unsure? Compare the units in more detail on the next page.
